

Welcome to the Casual Arcade Showcase

Arcade games you can play in your browser for free.

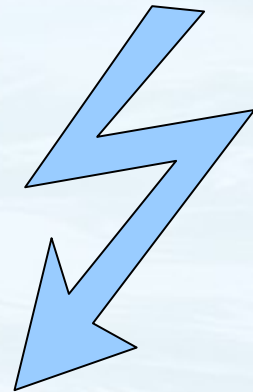

- ✓ No ads
- ✓ No tracking
- ✓ No accounts/sign ups required
- ✓ No apps to load, no nonsense
- ✓ Just getting and sharing stuff out there

Welcome to the Casual Arcade Showcase

Games you can play now:

- Illusion Pinball
- Sphere Interceptor
- Here in the showcase the playable games are labeled “Click To Play”

How Did I Get Here?

- You know me
- You are a creepy crawly web bot
- You are an intrepid explorer with a lot of time to kill
- Why? Because this showcase is only meant to “kick the tires” using Croquet.io which is pretty cool
- BTW the playable arcade games are real and free and all that. The longer term aim is to use Croquet with Unity to produce some multi-player games
